SUBJECT OR TITLE: Equal Participation Plan	Final Vote: Yes No

**WHEREAS:**

The EPP has an impact on the local church and funds needed for ministry.  
The FMCUSA should be financially adjusting and adapting in these new times, just as conferences and local churches are currently, and do on an ongoing basis.  
We are all in "new territory" and having to learn how to work in new ways with less traditional funding.  
Many members of the national BOA may not have a view of financial realities beyond their local church.

**Therefore, BE IT RESOLVED:**

For the EPP % to be raised, it will take a majority vote of both the national BOA and the team of US Superintendents.

## **Annual Conference Resolutions Committee Worksheet:**
