

# ANNUAL REPORT

**MEN'S  
MINISTRIES  
INTERNATIONAL**  
DISCIPLING MEN AROUND THE WORLD

# OUR MISSION

## We Encourage Men to Grow in Faith through Fellowship

MMI is a global, Spirit-fueled, discipleship movement of men growing in faith, encouraging fellowship, and praying for personal growth, experiencing accountability, and exercising gifts to bless the church and develop young and diverse leaders to be godly men. This movement effectively utilizes small groups, regional and national events, and ministry opportunities to foster finding a deeper faith by experiencing the Word of God and learning deep commitment to Him and following His voice. We develop communities of accountability, encouraging open sharing through connecting and listening to one other. The goal is to encourage men to bless and serve one another as they gather for mutual worship, prayer, encouragement, and discipleship.

*Therefore encourage one another and build each other up, just as in fact you are doing. 1 Thessalonians 5:11*

## Church Plants 2 Timothy 2:2

### Three new evangelists and church planters joined MMI:

- #74 Anonymous in a creative access country
- #75 Sebastian Carballo in Uruguay, this is our first in South America
- #76 Ramiro Campos in Spain

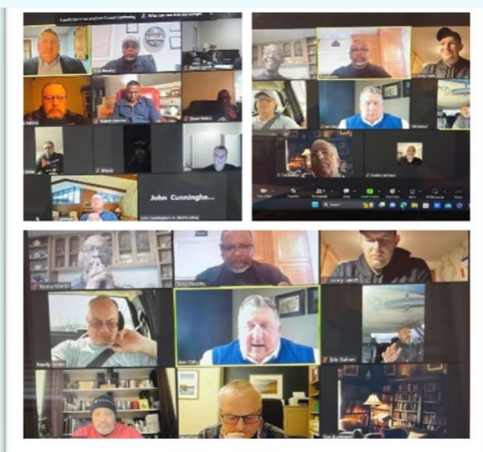

### Three mission trips

- **Puerto Rico 2020:** Where we worked on the Ministerio Apostolico Plantio del Senor church in Moca. This resulted in this independent church joining the FM church, bringing hope and faith to those in need in that area.
- **Alaska 2021:** Where we worked on the Eagle River FMC with some major construction projects and assisted a nearby seminary.
- **Alaska 2022:** Completed work at the Eagle River FMC. We completed many projects for Alaska Bible College and Skyline FMC, demonstrating our unwavering commitment to serving others. See below for more details on Alaska trips.

## Commitment to Giving Back

- MMI aided refugee churches in purchasing vans and leading the effort to raise funds for a new vehicle for the Superintendent of Ethiopia that was without transportation.
- Fundraising efforts and supply deliveries to tornado-damaged Kentucky

## 2023 Efforts

We are committed to visiting FM churches to help establish a men's ministry or to strengthen their existing ministry.

Monthly prayer zoom meeting have been established connecting with men all around the world including the United Kingdom.

Discipleship via zoom for those men who are interested.

In March we visited Guatemala and partnered with Free Methodist Mission District Leader Pastor Hector. We ministered at one of the men's rehab centers where over 100 men were there, and many received Christ into their lives. While there we visited one of the most poverties areas in Guatemala called zone 3 feeding and giving school supplies.

We attended the UK & Ireland Annual Conference introducing MMI to the pastors and leaders. We made many connections and aspired men to go back to their home church to start men's ministry. MMI is helping a Spirit Fueled Movement flow among our Men all around the world.

---

## MEET OUR NEW EXECUTIVE DIRECTOR

Pastor Terry is currently serving as men's ministry pastor at Chapel of Change in Paramount, CA and the interim campus pastor for the Whittier campus. Terry has faithfully led and successfully built one of the strongest local church men's ministries seen in the FMCUSA. Terry has been serving the Lord for over 35 plus years. Over the years, he has helped disciple men from all walks of life. He has served in all capacities from teaching and preaching, organizing evangelistic small and large events, such as men's conferences, men's retreat, and marriage conferences. He first came to the Free Methodist in Long Beach, CA in 1999 where he served under Dr Larry Walkermeyer at Light & Life for over 10 years. While serving under Pastor Larry he served as an evangelist outreach leader, blended family group leader, help plant two churches: one being (Urban Praise) Light and Life West. In 2012, he helped launched Chapel of Change under Pastor Brian Warth where he has served in multiple capacities: campus pastor, implementing and overseeing the men's ministry for multiple campuses. Terry and his wife Deena implemented the Ignite Marriage Ministry at COC. Pastor Terry was ordained as eldership in 2020.

His desire is to see the MMI unite with FM churches locally, regionally, and nationally with the intent of going global. The goal is to see men grow in a direction where all men are involved internationally and locally with a deeper connection with God; and being connected with other men building relationships and making disciples. Matthew 28:19 "Go ye therefore, and teach all nations, baptizing them in the name of the Father and of the Son, and of the Holy Ghost.

SUMMER 2021& 2022

# MMI ALASKA

APRIL 2023 // PREPARED BY BRYAN SALLEE

*Summer 2021*

## ACTIVITY & PROJECTS

---

In partnership with Alaska Bible College (Palmer, AK) and Skyline Family Fellowship, FMC (Eagle River, AK) a group of guys from around the USA visited Alaska in the summer of 2021.

This MMI group led, by Supt. Ben Tolly, spent 5 days in and around south central Alaska, exploring various parks, hiking trails, and fishing streams.

When they were not taking in the sights and sounds that are unique to the Alaska experience, these men were hard at work painting classrooms at Alaska Bible College and rebuilding emergency stairs at our lone Free Methodist Alaskan church.

Additionally, this group of men had morning and evening devotionals, conversations that enabled those attending to take time away the everyday rhythms of life to not only connect with God, but grow deeper in relationship with other men of faith.

This was the first of what is hoped will be many more outreach, projects, and playful adventures in partnership with Free Methodist and others kingdom ministries taking place in Alaska.

---

Skyline Family  
FELLOWSHIP

Summer 2022

## ACTIVITY & PROJECTS

This second MMI trip to Alaska, a group of men from England, the Midwest and California, were hosted by Skyline Family Fellowship, FMC (Eagle River, AK). This MMI group was led by Terry Beasley Bryan Sallee. They spent several days working on a variety of work projects at Skyline Family Fellowship, as well as camping on the Kenai River experiencing world class sockeye salmon fishing.

*The purpose of this trip was three-fold:*

- Nurture relationships of Free Methodist men from a variety of conferences
- Complete numerous work projects at Skyline Family Fellowship that would enable their facility to be used by several non-profits and homeschool networks in the community
- Create a space for men to cultivate their relationship with God through the mediums of work projects and outdoor adventures.

The desired outcomes of this group were above and beyond what could have been expected. The relationships and memories created continue to open the door for more MMI-Alaska trips. Ideally, future work projects and outdoor adventures in Alaska will open more doors to serve the Free Methodist church in Alaska and other ministries in need of assistance. Additionally, visiting teams will participating in one or more missional outreach projects.
